

How to Use this Sign-Up Sheet

The signatures you see on this scan of the hard copy sign-up sheet I passed around during our first two class sessions reserve the time slot where the signature is located for the specific student who picked that time slot on that date when the sheet was passed around in class this week. If you did **not** sign your name in one of the slots on this sheet, BUT YOU **CAN** meet me in-person between 9:30 and 9:45 a.m. on a Tuesday or a Thursday in D-120, Cubicle #60, here's what you need to do:

First: find a slot on this scan of the existing sign-up sheet that is currently empty on or after January 21 and not later than February 13, and email me that you will come on that date during that time slot.

FOR STUDENTS WHO CANNOT MEET IN PERSON during my regular office hours, you can arrange your personal meeting with me outside office hours via Zoom by doing two things: First, decide which date you will be available to participate in a Zoom Meeting with me between 5 pm and 6 pm (this can be any day of the workweek, Monday to Friday during that hour). Second, email me and let me know which day you will meet me in my Office Hour Zoom Room, and what **time between 5 and 6 pm** on that date you will be entering the Zoom Room. I will make sure the Zoom Meeting is open at that time.

The Zoom Meeting ID is available in an announcement in the Canvas portal for our course, but it also available below. Just copy and paste the link into your browser's URL window and hit the return key. It will open you Zoom program and take you to my Zoom Room for student meetings outside my office hours:
